

End of Sale Notification

July 25th, 2016

This notice is to inform you that the following Echelon product(s) will be discontinued, effective today. Our intent is to support these products for a limited time in order to allow for future planning. Therefore, we will offer last time buy opportunities to support your needs. The last date to place an order for these products is July 25th, 2016. All purchase orders are non-cancelable and non-returnable, may be limited by stock on hand, and standard minimum order requirements apply.

Wherever applicable, we have identified new replacement products. We apologize for any inconvenience this notice may cause and look forward to your continued interest in our products. Please contact your local Echelon representative for substitute model numbers and other specific inquiries.

End of Sale Notification

March 1st, 2016

Echelon periodically identifies products that have reached the end of their product life cycle. In order to provide customers with an orderly transition, Echelon provides three (3) months advance notice of the End-of-Sale of Echelon products.

Echelon today announces the End-of-Sale for the Echelon products listed below. Echelon will accept orders for these products through May 31, 2016.

Orders may be limited to stock on hand, and minimum order quantities may apply. Customers with current supply agreements may have alternate End-of-Sale terms. Contact your Echelon customer service representative for substitute model numbers and other specific inquiries.
